

Beginning on Tuesday March 24, 2020 to help mitigate the spread of COVID-19 the City of Frankfort Division of Solid Waste will only collect the City trash and recycle carts. No overflow bags, bulk household items or yard waste will be collected until further notice. The Electronic waste drop off will also be closed until further notice. The recycle material drop off containers will still be open during this time. All carts need to be out by 7am and spaced at least 3 feet apart from other carts, trees, mailboxes and not behind any vehicles. Thank you for your cooperation with this matter.
